RE: SHAWN LAMONT THORPE
Defendant

1:98CR54-1
Docket No.

Under the amended version of the Federal Rules of Criminal Procedure Rule 32.1(b), the U. S. Probation Office is required to notify the attorney for the government when proposing a modification of probation which is favorable to a probationer. Accordingly, you are advised of the following:

Proposed Action:

Early Termination of Supervised Release

Basis for Recommendation:

Mr. Thorpe was released to five years supervised release on February 20, 2004, and has complied with all the conditions of his supervision. Since October of 2004, Mr. Thorpe has been gainfully employed by Kinetics Systems, Inc where he has received training in the areas of welding and pipe fitting. Mr. Thorpe is now a certified Orbital Welder earning \$21.35 per hour. He has made numerous positive strides since his release from imprisonment to include getting married, having three children, and purchasing residential properties. Mr. Thorpe has remained law abiding and does not appear to be a risk to the community. It is the opinion of the probation officer that the objectives of Mr. Thorpe's supervision have been met and that Mr. Thorpe will continue to remain a law abiding and productive citizen.
